Hello Planning Commissioners,

My name is Mario Dejuan, long time Mendocino resident and cannabis business owner, I will be directly affected by the decisions made by the Planning Commission and the Board of Supervisors in these coming weeks.

I have been active in my expressing my options through out this process.

I would like to voice my support for the MCA and CCAG memo in helping us maintain a resilient, diverse and sustainable economy for

Mendocino County.

Thanks for your diligence in these matters.

Mario
