Dear Commissioners,

Hope all of you are well.

We are Yeins and Joseph Chestnut, owners of Lost Paradise Organics, located in Whitethorn Mendocino County.

First of all, we would like to thank you for your work and service.

We are small craft cannabis farmers and in the process since January 2018, today we are expressing our support regarding the recommendations from CCAG and MCA for the CCAO. These recommendations reflect a reasonable approach towards the success for our small legacy farmers in Mendocino County and for a more balanced development in this difficult times for the cannabis community.

Thank you for your attention and we hope our opinions are of value to make the right decisions.

Sincerely,

Yeins and Josh Chestnut
