Dear Mendocino Planning Commission, 7/12/2021  
We have been living here for over 30 years. This is a residential neighborhood. It's peaceful and quiet. We would like to keep it that way. We do not want strangers coming and going who may not know anything about country living. There is a desperate need for housing in our area for long term tenants also. We all have wells, so conserving water is crucial. Keeping yards tidy to prevent fires etc...It's a huge responsibility, but worth it to live on the Mendocino Coast.  
Sincerely,  
Rick and Anna Messier
