Subject: Oppose Major use permit on G Road, Albion

I've lived in Mendocino for 41 years and watched the housing situation deteriorate exponentially, especially in the past 5 years, due to the proliferation of vacation rentals.

My daughter has a restaurant in Mendocino and employs many people who need affordable places to live and housing for their families.

Please do not allow this property management company to keep developing projects in albion, and be mindful of maintaining our neighborhood values and quality of life.

Thank you,

Merry Winslow
