**Input for Case ID U\_2021-0001(Kung)**

Please reject this application for a major use permit to allow vacation rentals on the subject property. This owner is a company that owns and “manages” two other properties nearby. Both have had serious permit violations and are causing huge problems for neighboring property owners and residents. The owners have clear cut their properties, eliminated neighbors’ privacy, allowed noise and fire hazards. Don’t let them do this with a third property!

Thank you,
