Attention PBS and County Supervisors,

I am a 27 year resident of Mendocino County, and a Family Physician serving Northern Mendocino patients at the Long Valley Health Center.

I am writing to oppose approval of the proposed permit for vacation rental use on property not occupied by owners, instead of much needed housing (case ID: U\_2021-0001 Kung). My reasons for this are many, and include the dire need for resident housing rather than more vacation rentals, this development company's record of violations and not acting as a good neighbor, and my trust in our local knowledgeable and compassionate Realtor and Planning Commissioner, Alison Pernell, whose voice I would like to join with at this time.

Thank you for your kind attention,

Sharon Paltin, M.D.
