To Whom It May Concern,

As a very long time resident of Albion, Ca. I am vehemently opposed to the proposed Major Use Permit on G Road in Albion, to operate a vacation home rental in an existing single family residence on property not occupied by owners.

Housing is desperately needed by local workers [hospital staff, post office workers, teachers, food service workers.]

There are issues with the water table, drainage ditches, excessive noise, garbage, and commercial property requirements for increased property insurance. Listen to your constituents and refuse to pass this Major Use Permit on G Road in Albion.

Thank you.
