Subject: U_2021-0001 CINDY KUNG, check resolution

Hi,

It has come to my attention that the Resolution to deny the U_2021-0001 CINDY KUNG short term rental included a statement which I do believe is not true.

The 4th. paragraph indicates that "the Commission held the continued hearing on September 2, 2021, at which time at the applicant requested a continuance of the Project to October 21, 2021..... "

As you can see in the memorandum, minutes, and in the video that hearing took place, but the applicant Cindy Kung sent an e-mail on August 11, indicating that she will be out of the country, but requested a continuance. The hearing was then rescheduled for October 21, 2021.

SUBJECT: U_2021-0001 – OWNER REQUEST FOR CONTINUANCE
On August 11, 2021, Ms. Cindy Kung emailed the Planning Division of Mendocino County Planning and Building Services requesting the Use Permit Application U_2021-0001 be continued to a date uncertain as she will be out of the country and unable to attend the Planning Commission Hearing on September 2, 2021.
Planning Staff has tentatively requested the Use Permit Application U_2021-0001 be continued to the Planning Commission Hearing on October 21, 2021.

Thanks for making that correction.

Please forward to Allison Pernell. Thanks.
