**Mendocino County Staff and Planning Commission,**

**I am writing to voice my support for Sovereign's cultivation facility applications (R2019-0012 and R2019-0013) currently being threatened by the sunset clause.**

**Sovereign provides clean cannabis to the entire state and it would be at the community's detriment to deny this application.**

**I understand that there is over the minimum required 60% property owner support for this application so it is unclear why the County Staff has REWRITTEN the staff report to recommend it for denial.**

**Please approve this application and allow Sovereign to continue providing jobs, tax revenue and cannabis to our community.**

**Sincerely,**

**Katrine Kenyon**
