## **Mendocino County Staff and Planning Commission,**

**I am writing to voice my 100% support for Sovereign's cultivation facility applications (R2019-0012 and R2019-0013) currently being threatened by the sunset clause.**

**SOVEREIGN provides clean, craft cannabis to the entire state as well as employing MANY citizens of Mendocino county. It would be at the community's absolute detriment to deny this application, resulting in loss of jobs, income, taxes, and extremely well cared for product supply.**

**I understand that there is over the minimum required 60% property owner support for this application so it is unclear why**

the County Staff has REWRITTEN the staff report to recommend it for denial.

Please approve this application and allow Sovereign to continue providing jobs, tax revenue and cannabis to our community.

Sincerely, FEATHER FYER
