Hello Planning Commission,

We are writing today to state we are opposed to rezoning any properties in our RR2 Mitchel Creek neighborhoods to Commercial Agriculture, cannabis cultivation. We opposed it in 2021 and in 2018.

We agree and support emails from Property Owners submitted to you stating their serious concerns of the negative impacts of Commercial Grows. Please refer to emails submitted by A. Garza, J. Campagna, J. Nixon, K. Montgomery, K. Abramson and others. We agree with your Staff recommendation and request Brandy Moulton's applications be denied and the 2022 Sunset deadline

remain in effect.

Sincerely,

Renata and Steven Coury
