Subject: Errors in public hearing notice...

Hello-

We recently received a public hearing notice for a property on Thomas Ln. And there are two errors regarding the 'Location' of the 31201 Thomas Ln. (see photo below)

1. Thomas Lane is "...southeast of Fort Bragg City center." Thomas Lane is NOT northwest of Fort Bragg.
2. Thomas Lane intersects with "Brush Creek Rd. (Private)," NOT "Bush" Creek.

I am disappointed that there are errors on an official county document. Please fix these before the hearing. I highly recommend proofing official correspondence before mailing.

Sincerely,
Teresa Ravella
