Case # U_2021-0007
31201 Thomas Lane Major Use Permit for short term rental

Planning & Building Services

To Whom It May Concern-

Thomas Lane is a private road which is not publicly maintained. All road maintenance and repairs are funded by the property owners on this street. Allowing a short term rental will bring a lot of additional unfamiliar people and vehicles to area.

There is not enough housing in this community for people who actually live and work here. We do not need more short term rental housing.

For these reasons, Alan and I are against this short term rental and urge you to deny this major use permit for 31201 Thomas Lane.

Sincerely,
Alan & Teresa Ravella
