Subject: Cannabis opt out hearing Redwood Valley 3-23-23

My name is Dolly Riley, and I am the Chair of the Redwood Valley Municipal Advisory Council. My opinion is that of my own because RV MAC has not voted as a body for or against this project. As Chairperson, my goal has always been to represent the majority of Redwood Valley citizens. Clearly, a majority of citizens desire this opt out zone, and wholeheartedly believe this will preserve a quality of life they do not experience at this time. The two cannabis properties within the zone who may have applied for licenses, have rights as well. In my opinion, the needs of the 200+ citizens wanting a cannabis free zone far outweigh the needs of the two cannabis farms. I urge you to re-zone this area as an opt out area in which no cannabis can be grown. The remaining two farmers have three years to relocate, and with no impact in decline of property value, they can sell and purchase new cannabis farms. Please pass the opt out zone. Thank you, Dolly Riley 707-391-6391. dollyriley@gmail.com.
