RE: Case# R_2021-0002

As the property owner of 2200 Road F (#161-220-47) in Redwood Valley, I write in full support of the rezone request to establish a Cannabis Prohibition Combining District in Redwood Valley.

My roots run deep in Redwood Valley. My grandparents were founding members of the historic Finnish Colony, and my mother was the first child born into the colony in 1912. We must preserve the rich, peaceful, bucolic history that attracted families to the Valley so many years ago and appeals to the young families of today.

Please support this request and feel free to forward my written comments to the Board of Supervisors along with your positive recommendation.

Sincerely,

Virginia Lee McLain
