Planning & Building Services

The board members of Westview High Point Road Association have been made aware of the minor subdivision application for the property located at 5600/5630 Westview Road. Owners being; Robin Madison, Ree (Ruth) Slocum and Anna Sommers.

We all agree that there would be no impact or adverse changes required for this proposed minor subdivision in regards to our road association and the maintenance of the roads within our road association. The parcel already has established homes and there would be no changes to the volume of cars or road traffic due to a possible parcel split.

In fact, we would benefit from the proposed minor subdivision by adding an additional \$400 a year in road dues towards the "new" parcel.

Sincerely,  
Robin Madison-President  
Mike Sichley-Vice President  
Colleen Sichley-Secretary  
Janet Hunt-Treasurer
