Re: Case # U-2022-0007  
Minor Use Permit for an indoor cannabis cultivation (TypeC-A 2500-10,000 square ft.)

We received your notice about the above cannabis cultivation permit. We live on Little Lake Road, directly opposite Outlaw Springs Road, a private road and community of homes.

We left Humboldt County 6 years ago where we lived on our ranch in Petrolia, in the Mattole Valley, because after 20 years there we were surrounded by cannabis grows. There was such an increase in traffic with trucks causing harm to the County Road during the trimming season. There was a huge increase in people coming to work in their cars, often living in them, the river water was compromised, surrounding wells were compromised and plastic greenhouses were visible everywhere.

We were so grateful to move here, 4 miles east of Mendocino Village to this quiet neighborhood. A cannabis grow does not belong here. This is a quiet neighborhood of homes, not 2500-10,000 sq feet of a cannabis farm. Please do not allow one at 8261 Outlaw Springs Road, Mendocino, California.

Thank you for considering our concerns.

Judy and Peter Nash
