Comments on Case #U\_2022-0001

Owner: T.H. Shamrock, LLC

Request: Major Use Permit for installation of a shotgun, rifle and pistol firearms range on the existing Shamrock Ranch.

To Whom it may Concern:

My name is Traci Losee and I am very concerned about the impact of this permanent range so close to our wildlife preserve. We here at Cherry Creek chose to live here because we love the quiet, we love the wildlife, and we love being home. We are mostly a retirement community. We can all hear the guns when they are being shot. It is disruptive and loud in particular to the closest neighbors.

I am asking if you could please move your range further away from our subdivision. I see that it is not very big in size, which is welcomed. Please also be aware of your wetlands, your wildlife corridors, and your impact on the native species when developing your site plan.

Shamrock has always been good neighbors. I appreciate your habitat connectivity. It helps our wildlife out a lot!! I also appreciate you taking the time to consider making modifications on your proximity to Cherry Creek. Your range will and does impact our community. A simple set back could really be a win-win.

Thank you,

Traci and Ray Losee
