RE: Minor Use Permit U\_2022-0007 Hayes

Dear Commissioners,

I reside at 8180 Outlaw Spring road in Mendocino - directly across the street from Noah Shepard's property - our driveways were apart of the original Little Lake road from Ukiah to Mendo. many years ago.

I have owned this property and lived here for the past 33 years. Noah recently informed me of his application and I am writing to you today to express my whole hearted endorsement of this project. I think it is extremely important to support the local long term residents in their ability to be part of the emerging cannabis industry which will directly & positively impact our residents and local economy. Our neighborhood is a ideal location for the size and scale of this cottage industry and I am confident in Noah's conscientious and neighborly conduct through out. I encourage you to likewise support Noah's business project and approve his application.

Respectfully,

\_\_\_\_\_  
Nancy Gardner
