Re: Minor use Permit U_2022-0007 (Hayes)

Dear Commissioners:

We are current residents on Outlaw Springs Rd, and have lived at our address for seven years. We have been informed of the proposed building and permit. We are in favor of granting the use permit.

We support the project, and feel the economic benefits are a plus. This is a relatively low-impact, cottage industry. In a county built on tourism and cannabis, we support cultivation of legal cannabis, as it has been the economic driving force for our community for 50 years. Our neighborhood has several small non-cannabis farms already, so we see no problem with an additional small farm in the area.

In addition, we have known the property owner for many years, and know that he will address any issues if they arise.

Please approve this application.

Sincerely,

/s/ Emily Keller, Shaun Keller
