MEMORANDUM OF UNDERSTANDING
between
MENDOCINO COUNTY IHSS PUBLIC AUTHORITY
and
SEIU LOCAL 2015 LONG TERM CARE WORKERS

THIS MEMORANDUM OF UNDERSTANDING, referred to below as "MOU", is entered into by the Mendocino County Public Authority for In-Home Supportive Service (hereinafter referred to as the "Public Authority") and Service Employees International Union Local 2015 Long Term Care Workers (hereinafter referred to as "Union").

SECTION 1. PREAMBLE

The Public Authority does not employ or manage the IHSS Provider workforce in the role of a traditional employer. The Public Authority and the Union recognize that, due to the nature of the relationship between them and the role of that relationship in the IHSS program, the implementation of various provisions of the Agreement will require the assistance and cooperation of agencies that are not party to this Agreement. The Public Authority and the Union agree to work together in good faith in order to secure the assistance of the appropriate entities when required by the provisions of this Agreement.

SECTION 2. UNION RECOGNITION

The Public Authority recognizes the Union as the exclusive collective bargaining representative for the covered In-Home Supportive Services Providers, also known as Independent Providers. The Public Authority is the employer of record for Providers. Clients retain the sole right to hire and fire Providers.

SECTION 3. MUTUAL RESPECT

The Public Authority and the Union agree that all Providers and staff involved in the IHSS program, regardless of position, profession, or rank, will treat each other with courtesy, dignity and respect. The foregoing shall also apply in providing services to the public, specifically including providing services to IHSS Clients.

SECTION 4. NO DISCRIMINATION

There shall be no discrimination in the interpretation, application, or enforcement of the express terms of this Agreement on the basis of any protected classification such as gender, race,

religious creed, color, national origin, sexual orientation, age, disability, marital status, veteran status or participation or non-participation in Union activities against any Provider by the Public Authority or the Union.

SECTION 5. UNION RIGHTS

5.1 Union Membership and Dues Checkoff

Any Provider hired by the Public Authority subject to this MOU shall be notified that the Public Authority has a MOU with the Union regarding wages, benefits and other terms and conditions of employment.

A blank membership form and written notice of the MOU shall be provided by the Union to the Public Authority and shall be included in the Providers' materials distributed to each new Provider during the IHSS orientation. Providers shall return authorization forms to the Union.

5.2 Hold Harmless

The Union shall defend, indemnify, and hold harmless the Public Authority and its respective boards, directors, officers and employees from any and all claims, demands, suits, liabilities, or any other action arising from Union related deductions from Providers' paychecks.

5.3 Payroll Deductions

The Public Authority will work with the State Controller to assist in the collection of Union membership dues and any other deductions authorized by the Union. Payroll deductions for dues will be paid promptly to the Union by the Public Authority.

5.4 Lists - Union Membership

The Public Authority shall provide a current Paid Provider Report to the Union on a monthly basis in a format that is mutually agreed to by the parties. The Report shall include the relationship of the Provider to the client.

The Union shall defend, indemnify, and hold harmless the Public Authority and its respective boards, directors, officers and employees from any and all claims, demands, suits or any other action alleging that the Union has misused or inappropriately disclosed Provider information obtained from the Public Authority.

5.5 Bulletin Boards

The Public Authority will provide a bulletin board in each of its offices (currently in Willits, Ukiah and Ft. Bragg) for use by the Union, provided the communications displayed have to do with official Union business.

5.6 Mailings

The Public Authority will include official Union notices in its mailings to the bargaining unit if the Union provides such notices to the Public Authority ten (10) working days prior to the mailing date, and if the Union reimburses the mailing costs to the Public Authority to the extent that the Union documents increase mailing costs. If possible, the Public Authority will provide the Union with two (2) weeks' notice of upcoming Public Authority mailings.

5.7 Steward List

The Union may designate and identify to the Public Authority, Union staff representatives and/or Provider stewards to advise and assist Providers with matters within the scope of representation. The Union shall provide the Public Authority a list of member Union staff representatives and/or Provider stewards every six (6) months.

5.8 Meeting Space

Upon request of the Union, the Public Authority may provide meeting space, provided such space is available and the Union complies with all departmental rules and policies of the County Board of Supervisors. Request for use of facilities shall be made at least three (3) working days (working days are days that the Public Authority administrative offices are open, currently Monday through Thursday) in advance to the appointing authority or designee and will indicate the date and time of the meeting. The appointing authority shall notify the Union at the time of the request if any charges are applicable for the use of the facility.

SECTION 6. ADVANCE NOTICE

The Union shall be given advance written notice of any ordinance, resolution, rules or regulations directly relating to matters within the scope of representation proposed to be adopted by the Public Authority or its Governing Board, and, except in an emergency, shall be given the opportunity to meet and confer with appropriate management representatives prior to adoption. In the event that the Public Authority must act on an emergency basis, the Public Authority shall meet and confer with the Union as soon as is practicable, if the Union so requests.

SECTION 7. ORIENTATION

All Providers are required to complete an orientation in conformance with applicable State law.

The Public Authority will provide the Union with a monthly calendar of new Provider orientations, including the location. Public Authority new Provider orientations conducted in a language other than English are scheduled as needed with notice to the Provider(s) and the Union. The Union will have up to thirty (30) minutes at or near the beginning of the orientation, unless there is an operation need for the Public Authority to present first. The Public Authority will give at least

one week of notice to the Union of any change in the orientation schedule. The Public Authority will provide the Union with a copy of the attendance list including names and telephone numbers after each new Provider orientation.

In the event that the Union is unable to attend a Provider orientation, the Public Authority shall inform Providers that they are represented by the Union and will distribute Union authorization forms and related printed Union information provided by the Union. Any completed Union authorization forms submitted to the Public Authority will be forwarded to the Union within fourteen (14) calendar days.

Union representatives will not be paid by the Public Authority for time spent in orientations.

SECTION 8. WAGES

1. Following ratification and approval of this MOU, effective the first administratively feasible full pay period of 2020 (including all local and state administrative processing time), the hourly wage for Providers will be fourteen dollars (\$14.00), which represents the California minimum wage as of January 1, 2020, plus a one dollar (\$1.00) wage supplement.
2. The Public Authority shall submit the appropriate request to the State to implement the new rate as soon as practicable after Union ratification and Public Authority approval of this MOU.
3. Subsequent to 2020, Provider hourly wages will increase by the amount the state minimum wage increases. Accordingly, and subject to the provisions of California Labor Code section 1182.12(d)(3), the Provider hourly wage will be as follows:
 - a. Effective the first full pay period of January 2021, the hourly wage for Providers will be fifteen dollars (\$15.00), which represents the California minimum wage plus the one dollar (\$1.00) wage supplement.
 - b. Effective the first full pay period of January 2022, the hourly wage for Providers will be sixteen dollars (\$16.00) per hour, which represents California minimum wage plus the one dollar (\$1.00) wage supplement.

SECTION 9. ENROLLMENT AND PAYROLL ADMINISTRATION

The parties understand that the IHSS payroll system is administered by the State. The Public Authority and the Union agree to work together in cooperation with the County and State toward the goal of assuring that Providers receive their pay on a timely and accurate basis.

Providers will be enrolled and will be able to access the electronic timesheet system, or, in the alternative, to receive paper timesheets as long as the State has authorized the use of paper timesheets, within thirty (30) calendar days after a Provider has submitted a completed and accurate enrollment packet, after the Provider has complied with all enrollment requirements, and after all of the Provider's clearances (DOJ, etc.) are complete and approved,

Payroll issues beyond the Public Authority's direct control are not subject to the grievance procedure.

The Public Authority shall provide all Providers with local access phone numbers to call for timely answers to payroll questions and resolutions to problems.

SECTION 10. TRAINING

The Public Authority will provide the Union with \$5,000 per year for training for Mendocino County IHSS Providers. Subject to the below restrictions and conditions, the payments will be provided to the Union in January of 2020, 2021, and 2022.

The Union may only spend the funds on the following IHSS work related topics: Universal Precautions, infection control, CPR, basic first aid, proper lifting techniques, symptoms of heart attack, symptoms of stroke, symptoms of diabetic coma, or working with patients who suffer from dementia, Alzheimer's, mental health issues and autism.

In order to receive any additional funds in 2021 and 2022, the Union must first provide the Public Authority with a written accounting of how the prior year's funds were spent. The accounting must show the date of the training, the topic of the training, the number of Providers at the training, and the total cost of the training. The Union must provide the accounting to the Deputy Director of Adult and Aging Services no later than December 31, 2020 and December 2021 respectively. No additional funds will be provided if Union fails to timely provide the required accounting.

No additional funds will be provided if the Union spends prior year funds on training topics not specified in this Section. If prior year funds remain at the end of the year, the Public Authority will provide the difference between the remaining funds and \$5,000.

This training provision will sunset with the end of this MOU.

SECTION 11. HEALTH AND SAFETY

The Union and the Public Authority recognize the importance of a safe and healthy working environment for Providers.

Providers shall report any unsafe or hazardous conditions to the Public Authority immediately. Although the parties recognize that the ability of the Public Authority to resolve unsafe or hazardous conditions may be limited, the Public Authority will attempt to assist in resolving reported unsafe conditions (such as a referral to appropriate authorities, or providing information, etc.) The parties agree that the Public Authority is not obligated to provide confidential or private information about the client, including but not limited to confidential information related to the resolution of hazardous or unsafe conditions.

The Public Authority, only when authorized by the Client, shall share relevant health and safety information with a Provider. The Public Authority shall encourage Clients to directly give Providers relevant health and safety information.

The Public Authority shall make available standard and non-latex gloves and disinfectant hand wipes at no charge to Providers or Clients who request them. The Public Authority shall have no obligation to reimburse Providers for purchase of supplies.
