financial report, and the inconsistency in salary and benefits numbers.

Committee Action: None.

3c) Discussion and Possible Action Regarding the Fiscal Year 2021-22 Measure B Budget.

Presenter: Vice Chair Miller

- The dollar amounts on the report presented are all estimates of what fiscal staff determined the committee may spend during FY 2021-22, but the committee will only be charged what the actual costs end up being.
- The Measure B Project Manager position has not been eliminated; the salary for that position is included in the budget in case the allocation is needed.
- Necessary adjustments to the budget are allowed (with BOS approval).

Public Comment:

• Sherrie Ebyam: regarding the lack of supporting detail/information for the large dollar amounts presented on the budget report.

- Member Riley requested a standing agenda item on the Measure B Committee agendas regarding an update on BOS discussions and actions.

The Measure B Project Manager position was not eliminated, but there are no

what happens to this position as this position reports directly to Behavioral
Health. The Behavioral Health department head makes the decision of
recruitment for this position, and the BOS makes the final on compensation
decision.

Public Comment: None.

Committee Action: None.

3f) Discussion and Possible Action Regarding CRT Operator and Facility Construction Decisions.

Presenter: Member Mertle

• The Crisis Residential Treatment (CRT) Operator contract will be up for approval on BOS on April 20, 2021; no Measure B dollars will be used to fund the services for this facility.

Public Comment:

• Sherrie Ebyam: Regarding the strategic and financial plan being a priority for this committee, and why county staff (who are doing additional work in absence of a Project Manager) are charging their time to Measure B.

Committee Action: None.

3g) Update Regarding the Restructuring Ad Hoc of the Measure B Oversight Committee.

Presenter: Member Riley

- The committee consisting of Member Riley, Member Allman, Member Mertle, Member Rich, along with Supervisors Haschak and Williams met last week and the consensus is that this committee could be restructured to be more of a general oversight committee.
- Next steps: to discuss the recommendation for this committee to restructure to be a general oversight committee; the work would be directed by the pending strategic plan and performed by county staff.
- Member Riley requested that the recommendation to hire a consultant to assist with the strategic plan be presented to the BOS at the next opportunity, and to include an agenda item for the restructure of this committee as discussion and possible action on next month's agenda.

The contingency was used to augment the fee for the CRT design and construction services. The original budget estimate was based on design and construction support for the remodel of the three single-family homes. The project is now new construction on unimproved land which increases the design and engineering scope for the project. The use of the contingency and the revised fee and scope were reviewed with Doug Anderson, Alyson, and Jenine.

Supporting law enforcement in Mendocino County

Mendocino Public Safety Foundation concern for Mental Health services

Since its inception in 2011 the Mendocino Public Safety Foundation has worked to monetarily support law enforcement in Mendocino County. Over three years ago, in November 2017, the Measure B sales tax initiative was passed by more than two-thirds of the electorate. Citizens witness mental health problems daily on our streets and still have no appropriate agency to contact.

The need for a Prevention Outreach Program is visible in the form of people talking to themselves, screaming and yelling, sitting in the middle of the roads, in addition to other unacceptable behaviors. Panhandling, use of drugs, and violence can be observed as we pass through our communities. We believe that a program of prevention and outreach staffed by mental health professionals, who would be trained in helping our fellow citizens afflicted with these illnesses, will significantly reduce the burden we place on law enforcement officers.

Our police and sheriff have, in effect, become our mental health emergency response. Not only is this inefficient and expensive it leads to escalation of problems and puts officers and patients in dangerous no-win situations.

The Mendocino Public Safety Foundation directors ask that the funding from Measure B monies be used to create a Prevention and Outreach Program, whose mental health professionals would regularly serve people on the street and help them maintain services and medications so they can stay well. We ask that the planning for such a program include all appropriate agencies.

Respectfully,

The Mendocino Public Safety Foundation Board of Directors
