PREAMBLE

This Memorandum of Understanding, hereafter referred to as the "Memorandum" or "MOU" is by and between the Mendocino County Board of Supervisors, hereafter referred to as "the County," and The Mendocino County Association of Confidential Employees (MCACE), hereafter generally referred to in this Memorandum as "the Association".

The County and the Association recognize their duty and obligation to comply with the provisions of this MOU and to make every effort toward fully and faithfully carrying out each provision. It is further understood and agreed that this MOU is not binding on the parties hereto until ratified by the Mendocino County Board of Supervisors.

ARTICLE 1 – RECOGNITION AND TERM OF MEMORANDUM

1.1 Recognition

The County of Mendocino acknowledges The Mendocino County Association of Confidential Employees as the sole recognized employee organization for matters within the scope of representation as defined in the Employer-Employee Relations Policy (EERP), for employees in all classifications listed in Attachment A, as such ministerial listing may be amended as the County deems appropriate during the term of the Memorandum.

1.2 Term

This memorandum shall be in effect only for the period from July 1, 2022 - June 30, 2023. All other previous and specifically stated terms and conditions of employment shall remain in full force and effect.

ARTICLE 2 – DESIGNATION OF CONFIDENTIAL WORK STATUS

2.1 Designation of Confidential Work Status

A. County employees designated as “confidential”, represented by the Association, covered by this and all subsequent Confidential Employee Memoranda of Understanding are identified by classification in Attachment A and incorporated herein by reference. Attachment A may be modified:

1. Pursuant to the Employer-Employee Relations Procedures of the County,
2. By mutual agreement of the parties, or
3. By the County pursuant to this section

B. The “confidential” designation is reserved for those positions in certain departments that have direct knowledge of and/or involvement in the collective bargaining and labor relations processes of the County with its employees. The parties recognize that a Department Head can determine the extent to which employees have access to this collective bargaining and labor relations confidential information.

C. The parties agree that only the minimum number of positions necessary to conduct County operations should be included in the Association.

2.2 Confidential Employees

2.2.1 Vacant positions

When any position currently designated as “confidential” becomes vacant the County will evaluate the appropriateness and efficacy of leaving that position in the Association versus assigning it to another bargaining unit.

A. The County agrees to consult with the affected Department Head and the Association representative prior to removing a vacant position from the Association.

B. The Association agrees to expedite these discussions.

C. Any change in designation will occur prior to filling the vacant position.

- D. After these discussions, the County may remove the vacant position from the Association and place it in a bargaining unit deemed more appropriate.

2.2.2 Newly allocated positions

At the request of the Association or on its own initiative, the County will determine whether any newly allocated position that may reasonably qualify to be designated “confidential” should be so designated.

- A. Prior to making this determination the County will discuss this designation with the Association representative and the affected Department Head.
- B. The Association agrees to expedite these discussions.
- C. This review and discussion shall occur prior to any newly allocated positions being placed in the Association.

2.2.3 Currently allocated positions whose duties are modified

At the request of the Association or on its own initiative, the County will determine whether any currently allocated position whose duties are modified to include “confidential” functions, such as involvement in the collective bargaining and labor relations processes, should be designated “confidential”.

- A. Prior to making this determination the County will discuss this designation with the Association representative and the affected Department Head.
- B. This review and discussion shall occur prior to any newly allocated positions being placed in the Association.

ARTICLE 3 – FAIR LABOR STANDARDS ACT

The parties agree to comply with the current federal law known as the Fair Labor Standards Act (FLSA) and to meet and confer thereon as necessary during the term of this Memorandum on matters within the scope of representation for the purpose of implementing the Act as may be required by federal law or executive order or amending any ordinances, resolutions, policies, rules, regulations, or procedures necessitated by, or impacted by FLSA requirements. In addition, the parties shall comply with any amendments to the current FLSA that may occur and may be effective during the term of this Memorandum, as well as all decisions by any agency of competent jurisdiction that has superseding authority to interpret and enforce the law.

ARTICLE 4 – SALARY AND RELATED MATTERS

4.1 Pay Differential

The parties agree the employees represented by the Association shall continue to receive a five percent (5%) pay differential. The percentage is to be above that paid the same classification in other units. For those classifications that are unique to this unit the percentage shall be allied to the step in salary range that an employee has attained.

4.2 Salary Plan Administration

In view of the current economic deficit and projected revenues, the current MOU shall be extended until June 30, 2023, without across-the-board wage adjustments. The parties will continue to negotiate over non-economic items to be effective in FY 22-23. During FY 22-23 the parties will meet and confer on changes to the health plan to ensure its fiscal solvency, any compaction and alignment issues resulting from the changes made as a result of implementation of the Koff study, and such other non-economic issues as the parties mutually agree. The parties will also meet quarterly to discuss the County's economic condition and steps being taken to address the County's current economic challenges.

4.3 COVID Pay/One-time ARPA Funds

All regular Confidential employees employed on the date the Board of Supervisors ratifies the MOU and also employed on the payment date will receive a \$3,000 supplemental payment from one-time ARPA funds paid on the first full pay period following ratification. This supplemental payment shall not be added to base salary. Employees must be in active and paid status as of June 30, 2022, and on the payment date.

4.4 Merit Increase and Denials

A. Upon progress and productivity, employees may be considered for increase from one step in the salary range to next step in the salary range, as set forth in County Code sections 3.04.0707 and 3.04.080.

B. Nothing in this section should be construed to prevent any pay for performance strategies.

C. An employee must receive an overall rating equivalent to satisfactory or above in order to receive the merit increase.

D. A Department Head shall withhold a merit increase for an employee whose work performance has received an overall rating that is less than satisfactory.

E. The Department Head shall notify the affected employee and the Human Resources Director of the decision to deny a merit increase.

1. The Department Head shall endeavor to provide the employee and the Human Resources Director notice of this decision to deny a merit increase, at least ten (10) days prior to the date on which the employee is eligible for the merit increase.

2. Denial of a merit increase must be supported by a performance evaluation and include a corrective action plan.

3. In the event a merit increase is denied, the affected employee shall be reevaluated within three (3) months of the initial denial of the merit increase, and periodically thereafter, if appropriate for the corrective action plan.

4.5 Longevity

After completion of ten (10) years of continuous County employment, the employee shall receive a two percent (2%) increase to their base rate of pay.

After completion of fifteen (15) years of continuous County employment, the employee shall receive a one percent (1%) increase to their base rate of pay, for a total of three percent (3%).

After completion of twenty (20) years of continuous County employment, the employee shall receive a one percent (1%) increase to their base rate of pay, for a total of four percent (4%).

B. There shall be a six (6) month probationary period for all persons laterally transferring between departments within classifications designated “confidential” or represented by the Association.

C. The County and Association agree to discuss or where appropriate under Myers-Miliias-Brown Act, to meet and confer on any new countywide policy regarding probationary periods proposed by the County.

If the provisions of the new or proposed countywide policy significantly alter or modify the probationary terms in sub-sections A and B above the County and Association agree to meet and confer on the provision of the new or proposed policy.

ARTICLE 6 – LAYOFFS

6.1 **Layoffs in Accordance with Civil Service Rules**

In accordance with Civil Service Rule 11, Section 6A through 6E.

In the event an Association employee(s) be laid off, and there is no bumping advantage, this employee will be considered for the next position opening that they qualify for, regardless of whether they have previously held the classification.

6.3 **Voluntary Layoff Program**

In the event a mandatory layoff is authorized by the Board of Supervisors and as Department Heads begin having layoff discussions with staff, the Department Head may consider accepting the voluntary layoff of a permanent employee with more seniority. Such senior employee may request to voluntarily layoff to the extent of displacing a more junior employee with less seniority. Such senior employee must be in permanent status and employed in the department that is conducting the layoff. The Department Head in conjunction with the HR Director has final approval authority on a case-by-case basis, without regard to seniority or outcome for persons in same classification.

Upon approval of a voluntary layoff request, the employee may not withdraw the request and must proceed to be laid off. The employee who volunteers shall not have bumping or seniority rights in regard to the voluntary layoff being conducted. Upon voluntary layoff, the employee is subject to all rights and procedures as are applied to employees who are laid off from County service (except with regard to bumping rights). Seniority will remain intact in regard to all other purposes including restoration.

When an official announcement regarding layoff is made and it is determined that voluntary layoffs will be considered, Department Heads may accept and consider voluntary layoffs (on a case by case basis).

A Department Head may only consider voluntary layoff off when the result of granting a voluntary layoff results in saving of another more junior employee otherwise slated for layoff, from being laid off.
