## INSTRUCTIONS AND ADDITIONAL INFORMATION

Use this form to contest a minimum commercial cannabis cultivation business tax being imposed pursuant to Mendocino County Code ("MCC") section 6.32.050(B) if you are the person or entity responsible for paying such tax. To use this form, the basis for your appeal must be that cultivation of cannabis did not occur on the property containing the cultivation site during the tax year specified in your appeal.

This form must be completely filled out, with the exception of the attorney information if an attorney has not been retained at the time of submittal. If a box is not applicable, print "NA" or "Not Applicable" in that box.

To file a timely and complete notice of appeal, submit the following to the County of Mendocino Cannabis Department (MCD): (1) this form, fully completed, (2) a copy of the tax bill/invoice being appealed, (3) any and all documentation supporting your appeal, and (4) \$153.00. MCD must receive this Notice of Appeal, supporting documentation and initial appeal fee no later than 4:00 p.m. on April 30, 2024. Failure to complete and submit this form within the time provided, along with the required documentation and initial payment, may result in the rejection of your materials and/or denial of the appeal.

<u>PLEASE TAKE NOTICE</u>: All information and documents provided as part of this appeal may become publicly available. In accordance with Business and Professions Code sections 16110 *et seq.*, you may choose to redact information pertaining to gross receipts.

A non-refundable initial processing fee of \$153.00 is required for each Cannabis Business Tax Appeal form submitted. Incomplete applications submitted without the initial \$153.00 fee will not be accepted and will be returned unprocessed.

County Staff will review the appeal application and all available evidence relating to whether or not the Appellant cultivated cannabis. Based on the available evidence, the County may either administratively grant the appeal in favor of the Appellant if MCD and the Treasurer-Tax Collector both approve, or the County may submit the matter to a hearing officer to weigh the evidence in cases in which the County believes the evidence shows that cannabis had been cultivated during the tax year in question.

When the County determines to submit the matter to a hearing officer for review, a non-refundable hearing fee of \$5,775.00 will be required for each appeal. This fee is separate from and in addition to the initial processing fee. The County will provide notice to Appellant at the address provided on this form if and when the matter is ready to be submitted to a hearing officer. The Appellant has fifteen (15) days, from the date of such notice, to submit the hearing fee. If the County does not receive the hearing fee within the time provided, the County may deny the appeal.

After the County receives the hearing fee, the County will coordinate with the hearing officer to schedule a time and place for the appeal hearing. County will provide reasonable notice of the hearing to Appellant by preparing and sending a notice of hearing to Appellant at the address provided on this form.

The hearing officer will render a decision based on the evidence submitted at the hearing. The Appellant and/or the County may choose to be represented by an attorney. The decision of the hearing officer will become the final administrative determination. County will send a notice of decision to the Appellant at the address provided on this form, as well as to interested County agencies, including the Tax Collector. Any amount found to be due shall become immediately due and payable upon the service of the notice of decision.
