My property is APN: 069-102-12 and I live next to Lot 1 (APN: 069-102-10). I fundamentally oppose this boundary line change as I believe their purpose is to create a driveway for a short term camping site that would ruin our neighborhood.

I would like to participate via zoom in any meeting/hearing regarding this horrible change to our quiet neighborhood. The effect on our property values would be awful and there is a stream along the side of the property that goes directly to the ocean that needs protecting.
