To whom it concerns:

I am retired now but have lived and shopped in the Gualala area since 1967 and implore Mendocino County and CalTrans to help restore landscaping to the Streetscape project now to avoid any further delays in this much-needed project. As the coastal gateway to Mendocino County and one of the few coastal towns between Bodega Bay and Mendocino, low maintenance native landscaping is absolutely essential to the aesthetics and economy of the historical Mendocino coastal town.

Very Truly Yours,
