	<b>June 2</b>	<b>ELECTION DAY</b>

Per Assembly Bill 759, passed in 2022, mandated the shift of both District Attorney and Sheriff elections to the Presidential election cycle. This is a one-term extension, as a result of this change, sheriffs and district attorneys who were elected in 2022 had their terms extended by two years, making them six-year terms. The aim of this change was to increase voter turnout in these important elections, as Presidential Primary elections generally draw higher participation than Gubernatorial elections. After the 2028 elections, District attorneys and Sheriffs elected from this point onwards will serve the standard four-year terms.

\*\*SB 280 - This bill, for June 2, 2026, statewide direct primary election, would require the Secretary of State to make those forms available beginning December 19, 2025. This bill would require the Secretary of State to prepare a calendar of key election dates and deadlines and requirements for the nomination of candidates by the date that the in-lieu-filing-fee petition forms are made available. *Full text of the bill can be found at: <https://legiscan.com/CA/text/SB280/id/3266026>*

## PREPARATION OF CANDIDATE'S STATEMENT

Each candidate for nonpartisan elective office in any local agency may prepare a Candidate's Statement on a form provided by the Registrar of Voters. The Candidate's Statement is optional.

### CONTENTS

The statement may include the name, age and occupation of the candidate and a brief description of **no more than 200 words**, of the candidate's education and qualifications expressed by the candidate. "Age" is optional and may be omitted. "Occupation" may be expanded beyond the three words allowed as a ballot designation. The candidate is not permitted to include party affiliation or membership or activity in any partisan political organizations.

Candidate's statements for judicial offices shall be limited to a recitation of the candidate's own personal background and qualifications and shall not in any way make reference to other candidates for judicial office or to another candidate's qualifications. The elections official is prohibited from printing and distributing any statement not in compliance with these restrictions.

The law specifically states that the author of a Candidate's Statement is not exempt from civil or criminal action or penalty because of false, slanderous, or libelous statements offered for printing or contained in the voter's pamphlet. Moreover, any candidate who knowingly makes a false statement of a material fact in a Candidate's Statement with the intent to mislead the voters is punishable by a fine not to exceed one thousand dollars (\$1,000). (E.C. §13307(d), §18351)

### FORMAT

Statement must be typed or neatly printed on the form issued by the Registrar of Voters. If a candidate wishes to submit an electronically generated statement, they may do so by taping a hard copy to each page of the form provided and signing the form in the appropriate places. Since the Elections Code requires that the statement of each candidate be printed in type of uniform size and darkness, and with uniform spacing, the statement must follow conventional usage (E.C. §13307(b)).

1. The statement will be printed in standard paragraph form. Outline form is not acceptable.
  2. Capital letters will be used only for words normally capitalized (i.e. the first letter of the first word of a sentence, proper noun, etc.). Words will not be printed in "all caps".
  3. Bold type, italicizing or underlining is not permitted.
- Bullets will be permitted only if space allows.

### WORD COUNT

The 200-word limit set by E.C. §13307 is strictly observed. Candidates should count their words carefully using the following guidelines.

1. Punctuation is not counted.
2. All geographical names shall be considered as one word.
3. Each abbreviation for a word, phrase or expression shall be counted as one word
4. Hyphenated words that appear in any generally available dictionary shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
5. Dates consisting of a combination of words and digits shall be counted as two words. Dates consisting only of a combination of digits shall be counted as one word.
6. Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as, "one" shall be considered as a separate word or words (i.e. "one hundred" will be counted as two words)

**NO EDITING OF COPY BY THE REGISTRAR OF VOTERS**

The Registrar of Voters does not edit the material submitted and candidates should not expect errors in spelling, punctuation or grammar to be corrected. Since the statement cannot be changed after it is submitted, it is especially important for candidates to take the time to prepare and proofread their statements carefully.

**DEPOSIT**

The County Clerk shall collect a deposit at the time of filing the candidate's statement. The final cost will be determined after the printing bills are received by the County Clerk. Candidates will be billed any cost over and above the deposit collected or will be refunded any overpayment at that time. (E.C. 13307(c))

**EXAMPLE OF FORMAT:**

NAME: PAT DOE  
OCCUPATION: Fortune Teller/Comedian AGE: 65

This is an example of an acceptable format to be used in a Candidate's Statement. The guidelines for the content of the statement and the format may be found in the preceding paragraphs.

The candidate statement is printed in standard paragraph form, which means each paragraph will start at the left margin and the right margins will be justified. A double space will appear between paragraphs. Special indentations are not allowed. If bullets are used, they will begin at the left margin. If a list is to be printed (clubs, accomplishments, goals, etc.), it will appear as shown in the following paragraph.

I belong to the following organizations: PTA...Chamber of Commerce...Zoological Society...Bridge Club. If elected, I will: 1) lower taxes; 2) increase services; 3) cure the common cold; 4) be your servant. The Registrar of Voters will make modifications so it conforms to these rules.

## CANDIDATE/VENDOR SERVICES

All services must be paid for when ordered except absentee ballot services. Absentee ballot services will be provided upon receipt of the request and a check made payable to the "County Clerk" to open an account. Funds will be subtracted from the balance as services are provided. A running balance will be maintained. You will be notified to submit an additional check if the balance reaches the maximum amount. Allow at least 24 hours for production. Staff will make every reasonable effort to provide a completion time when you place an order. Requests for data not associated with an impending election may be delayed until after the election.

Anyone ordering voter registration information must complete an application and provide a copy of the driver's license of the person completing the application form. The applicant must swear the voter registration information will be used only for election, governmental, or research purposes as defined by Title 2, Division 7, Article 1, Section 19003 of the California Code of Regulations, and Elections Code § 2194 and Government Code § 6254.4.

The Elections Office offers a variety of voter-related products. Fees are listed on the application. However, **technical support and instruction regarding software/file formats are not available.**

## INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines "incompatibility of offices". The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined this concept as follows: "One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both."

The State of California Attorney General's Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. Fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. High school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. Water district director and a city council member;
5. Water district director and a school district trustee having territory in common; and
6. Deputy Sheriff and County Supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General's office at 916 324-5437 or visit their website, [www.caag.state.ca.us](http://www.caag.state.ca.us) For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission's website at [www.fppc.ca.gov](http://www.fppc.ca.gov), or phone toll free 1 866 275-3772.

## **MASS MAILING**

Government Code §84305

(a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

(c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).

## **POLITICAL ADVERTISING ON COUNTY PROPERTY**

Chapter 14.24, Mendocino County Code

§14.24.010 Prohibition of Political Advertising

It shall be unlawful for any person to affix or cause to be affixed to any property of the county any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advocating the election or defeat of any individual or individuals seeking elective office or advocating the passage or defeat of any issue subject to ballot or of advertising any assembly, meeting, or other form of gathering in support of or in opposition to such individuals or issues.

(Mendocino County Ordinance No. 947, adopted 1972.)

## MEMORANDUM

### COUNTY OF MENDOCINO ELECTIONS

**TO:** *All Candidates*

**FROM:** *Katrina Bartolomie, Registrar of Voters*

**SUBJECT:** **INCOMPLETE BALLOT COUNTING ON ELECTION NIGHT**

---

Candidates are frequently surprised on the day after an election when they learn that there are ballots countywide remaining to be counted. These uncounted ballots may leave some close races undecided for days or even weeks. This memo is provided as a courtesy to explain the logistics of election night ballot counting, and follow-up ballot tabulation, which occurs in the days/weeks following the election. The law allows 28 days after the election to complete the ballot tally and the official audit of the election, known as the Canvass. When the Canvass is completed, the official results are certified.

There are two categories of ballots that cannot be processed on Election Night:

- Absentee ballots turned in at polling locations
- Provisional ballots voted at the polls

**Absentee ballots turned in at polling locations.** Many absentee voters wait until the last minute to make their voting choices and then drop off their absentee ballots at a polling place on election day. We receive these ballots very late on election night. All absentee ballots must be pre-processed before they are counted – this includes verifying every absentee voter's signature prior to opening the absentee ballot envelopes to remove the ballots in preparation for counting.

**Provisional ballots voted at the polls.** Provisional ballots are voted at the polls when a voter's registration is in question, or when our records indicate the voter was already sent an absentee ballot. Provisional ballots are sealed in special envelopes at the polls and must be individually researched and verified at the Registrar's Office before ballots are counted or rejected in accordance with election laws.

**Ballots containing write-in votes.** Must be individually reviewed to determine whether or not the write-in vote is for a qualified write-in candidate and whether or not the voter overvoted (i.e. voted for a candidate on the ballot and also voted for a write-in candidate for the same office.). When an overvote occurs, neither vote can be counted for that one office, although the rest of the ballot selections will be counted. Vote tallies for write-in candidates are also certified at the conclusion of the official canvass.

We will publish at least one update between our Final Unofficial Election Night results posted on election night and our Final Official results are released at the time of certification. Our staff will be working as quickly as possible to prepare all outstanding ballots for tabulation and to get updated results out. This may take 2 weeks for us to publish our updated unofficial results..

In most cases, California law permits 30 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of the total voting precincts. This manual process verifies the accuracy of the computer count. As always, candidates and members of the general public are invited to observe ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts.

We realize it is difficult for candidates/campaigns involved in close races to wait days and sometimes weeks to know whether or not they won or lost the election. However, we hope that the reasons for the delays in the final ballot tally have been explained fully in this memo. If you have additional questions, please call our office at 234-6819.

DIVISION OF TRAFFIC OPERATIONS  
OUTDOOR ADVERTISING PROGRAM

Dear Candidate or Committee Member:

As a candidate or campaign worker for either an office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of Temporary Political Signs from normal outdoor advertising display requirements.

A Temporary Political Sign meets the following criteria:

- A. Encourages a particular vote in a schedule election.
- B. Is placed not sooner than 90 days prior to the schedule election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

A completed Statement of Responsibility must be submitted to the appropriate District Office according to the county location of the Temporary Political Sign(s). (See attached map for address)

Temporary Political Signs shall not be placed within the right-of-way of any highway, or be visible within 660 feet from the edge of the right-of-way of a classified “Landscaped freeway”.

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment to you and your supporters. Please pass this information along to those assisting in your campaign.

If you have any questions, feel free to contact us at the appropriate Outdoor Advertising District Office (See attached map for contact numbers).

For information regarding local elections, please contact the appropriate Public Agency (City or County) regarding the placing of campaign signs.

**PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES**  
as found in Chapter 5 of Division 20 of the California Elections Code

**Chapter 5. Fair Campaign Practices**

Article 1. General Intent

20400. **Intent of Legislature.** The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. **Definition of “Code”.** As used in this chapter, “Code” means the Code of Fair Campaign Practices.

Article 3. Code of Fair Campaign Practices

20440. **Subscription to Code; Form.** At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows: **(see next page)**

20441. **Supply of Forms.** The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. **Retention of Forms; Public Inspection.** The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. **Public Record.** Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. **Voluntary.** In no event shall a candidate for public office be required to subscribe to or endorse the code.

## CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit such criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on race, sex, religion, national origin, physical health status, or age.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice which tends to corrupt or undermine our American system of free elections, or which hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairman of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.
