

## Recovery Through Innovation

### Medication Support Services

#### MEDICATION SUPPORT CLINIC

FY 2025/2026 YTD

- 927 Beneficiaries Served
- 8529 Services Provided
- 61% of Meds only clients have shown an improvement in their ANSA scores.

We have a new MH Nurse Practitioner that will provide services in both our Medication Support Clinic and Anchor Rehabilitation Center. We have recently updated our website and can now accept online referrals.

### Anchor Rehabilitation Center

#### MHRC UPDATE

- Background checks have been completed.
- Onboarding will start on Monday 3/23
- Once we have onboarding is complete DHCS can finalize the licensing.
- The goal will be to begin accepting clients 4/01.

### Client Success story

Adult homeless client referred to us through crisis about 6 months who struggled with their medication regimen and compliance. AHM connected the client with WPC and an outpatient therapy. Since then, the client has stabilized and gain housing. They feel they are doing well.
