FROM: PLANNING AND BUILDING SERVICES

**RE: NOTICE OF NO BUILDING PERMIT INSPECTIONS OR PLAN REVIEWS MAY 4 – 7, 2026
DUE TO MANDATORY BUILDING DIVISION TRAINING**

The Building Division will be in mandatory training Monday May 4, 2026 through Thursday May 7, 2026. During this time, no inspections or plan reviews will be conducted within the County. The Building Division will resume inspections on Friday May 8, 2026 and will make exceptions to the typical inspection schedule to accommodate as many inspections as possible. The Department appreciates the public's understanding of this change in our regular business availability during May 4 through 7, 2026.

The mandatory training fulfills portions of the State-mandated requirements for Building Inspectors, who are required to complete a minimum of 45 hours of continuing education for every three-year period including at least eight hours regarding disability access requirements (Health and Safety Code section 18949.29).

The Department encourages the public to plan accordingly to avoid delays due to these mandatory training requirements.
