

STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE IN CONGRESS
1st DISTRICT

JAMES GALLAGHER

AGE: 45

Occupation: Farmer/Assemblyman/Business Owner

Education and Qualifications: The new First Congressional District stretches from the High Sierra mountains of Lassen County to Santa Rosa. It is a unique and diverse district, with abundant natural resources that need protecting and hard-working families struggling to pay bills.

As a State Assemblyman, I have record of working with Democrats and Republicans to get things done for our rural communities, including:

-Making PG&E settlement payments to wildfire victims 100% tax free and quadrupling the amount of funding for wildfire prevention projects.

-Working to reduce gas prices and electricity rates. I authored legislation to reduce our PG&E rates by 30% and I secured tax credits to build thousands of new affordable homes.

-Removing ultra-processed food from our kid's school lunches and securing more funding to give our disabled children an equal chance at success.

-Saving rural hospitals from closure and stopping surprise billings to patients.

-Fighting to keep rapist and sexual predators behind bars where they belong. Congress needs people who listen, who are not afraid of innovative ideas and who are committed to making life affordable for everyone. I have not represented you. Yet. But this is what I will do if you elect me as your next Congressman.

My family came to Northern California in 1868 and has been farming here ever since. My background includes: Graduate of UC Berkeley and the UC Davis School of Law; County Supervisor, State Assemblyman, small business owner, and attorney. Thanks for your time and consideration.

/s/ James Gallagher
